Re: *February 29, 2012 NCDENR Notice of Deficiency*
Lincoln County Landfill
Solid Waste Permit #55-03
DIN 17058

Dear Mr. Bivins:

The Solid Waste Section has completed a review of the letter titled *February 29, 2012 NCDENR Notice of Deficiency* dated August 6, 2012 (DIN 17026) and submitted on behalf of Lincoln County by S&ME, Inc. for the Lincoln County Landfill. This letter was submitted in response to the Notice of Deficiency (NOD) issued to Lincoln County for landfill gas exceedances documented at the facility's landfill gas monitoring wells.

In response to the NOD, Lincoln County has initiated monthly landfill gas monitoring and has installed continuous methane gas detectors within the facility's shop building and scale house. Monthly landfill gas monitoring will be conducted until further notice from the Solid Waste Section.

As a result, the letter titled *February 29, 2012 NCDENR Notice of Deficiency* dated August 6, 2012 is approved as described. Please submit the monthly landfill gas monitoring results via email to the Solid Waste Section (Attention: Jaclynne Drummond) within seven (7) days of monitoring utilizing the *Landfill Gas Monitoring Data Form* located within the Solid Waste Section's *November 2010 Landfill Gas Monitoring Guidance* (http://portal.ncdenr.org/c/document_library/get_file?uuid=da699f7e-8c13-4249-9012-16af8aefdc7b&groupId=38361).

If you have any questions or concerns regarding this letter, please contact me at 919-707-8294 or by email at jaclynne.drummond@ncdenr.gov. Thank you for your continued cooperation with this matter.

Sincerely,

Jaclynne Drummond
Compliance Hydrogeologist
